Facts and Resources

The Licenses

Attribution: You let others copy, distribute, display, and perform your copyrighted work — and derivative works based upon it — but only if they give you credit the way you request.

Non Commercial: You let others copy, distribute, display, and perform your work — and derivative works based upon it — but for noncommercial purposes only.

No Derivatives: You let others copy, distribute, display, and perform only exact copies of your work, not derivative works based upon it.

Share Alike: You allow others to distribute derivative works only under license identical to the license that governs your work.
